TASTY TALES OF KUYA J

Kuya J Restaurant, formerly known as “Ang Kan-anan ni Kuya J,” started as a humble eatery along the streets of Cebu. But with Kuya J’s undeniably delicious dishes, mouthwatering words of recommendation quickly spread into every Cebuanos’ palate. With that, Kuya J instantly became one of the well-loved restaurants in Cebu.

Who is Kuya J, after all? Kuya J is Jun-Jun, Joel, Juan, or Jericho. In other words, Kuya J represents every Filipino kuya who works hard and enjoys great food together with his family.
